I am over eighteen years old and am of sound mind. Under power of oath, I swear and affirm that following is true and correct.

2.

I am voluntarily giving this affidavit to the Butler Law Firm, whom I understand represents the family of [REDACTED]. I have had plenty of time to review all of the below-appearing statements. I have reviewed them, and they are true and correct.

13.

I saw the collision in which [REDACTED] was hit by a white car on April 26, 2021 outside the Circle K store in Calquitt, GA.

AFFIDAVIT

14.

I saw the white car approaching, even before the collision, and I could tell that it was going really fast - much faster than the 35mph speed limit. I thought to myself, "that car is flying!"

15.

There was nothing to prevent the driver of the white car from seeing [REDACTED] in other words, the vision of the driver of the white car was not obscured.

16.

I saw the white car hit [REDACTED]. The ~~what~~ driver of the white car was at fault.

17.

I saw [REDACTED] look both ways before driving his scooter onto the roadway outside the Circle K. He was being careful & cautious.

AFFIDAVIT

8.

After the collision, I immediately went to [REDACTED]. He was still alive. I talked to ~~him~~ him & told him help was on the way. He nodded and I could tell he understood me. I also saw him nod when ~~he spoke~~ ^{spoke with} the emergency responders ^{him} when they arrived. I could tell that he understood what they were saying too, and that he was still alive. Blood was gushing onto the roadway. He was obviously very hurt. A bone was sticking out of his leg.

9.

The driver of the white car came up to me. She said several times, "I didn't see him."

10.

The driver of the white car was wearing sunglasses.

11.

The thumb drive that is attached as Exhibit A contains a video that truly & accurately shows the events that I saw on 04/26/21.
