

"CONFIDENTIAL ATTORNEY WORK PRODUCT"

Recorded Statement from Jeb and [REDACTED]'s meeting with [REDACTED]

Jeb: This is Jeb Butler [REDACTED]. I am here with [REDACTED] and we are here with [REDACTED]. [REDACTED] as you know, we represent [REDACTED] in connection with a wreck in which he was involved on [REDACTED]. We have been talking about that wreck and I know that you were a witness to it so I would like to ask a few questions about it. We're here, by the way, at [REDACTED] home, [REDACTED], Atlanta, GA.

[REDACTED] if you will, just tell me how you came to be at the scene of that wreck on [REDACTED]

[REDACTED] On [REDACTED] me and my girlfriend were leaving work from Turner Studios traveling on Northside approaching the Martin Luther King Drive intersection.

Jeb: Ok. And do you understand that the wreck was between a Kia Sportage and Chevy Tahoe?

[REDACTED] Yes Sir.

Jeb: All Right. Tell me where you were in relation to the Kia.

[REDACTED] I was traveling behind the Kia; four or less car lengths behind it; directly behind it, in the second lane from the curb. The Kia was like I said directly in front of us and we were traveling south crossing over Martin Luther King Drive and from what I know and from what I remember, the Kia was traveling straight and I witnessed the accident.

Jeb: Ok. Any cars between you and the Kia?

[REDACTED] No vehicles in between me and the Kia.

Jeb: All Right. And based on your observation of the wreck; knowledge of the rules of the road; can you say who was at fault for the wreck?

[REDACTED] From looking at-from accessing the accident and seeing the Kia, the Tahoe was at fault.

Jeb: All Right. And I know that you recall some other details but that's the basic start-the basic part of it, and I thank you; and that's all I need. Thanks.

[REDACTED] You said [REDACTED]

Jeb: Well we're back on the record because I misstated the address. It's [REDACTED].

[REDACTED] Yes, correct.

Jeb: All Right. Now we're straight.
